BANKSTOWN NSW 2200

20 April 2010

Dear Wendy,

On behalf of the Royal Flying Doctor Service (South Eastern Section) I would like to thank you and Cartridge Rescue for your recent generous donation of \$9,866.00. With each donation you make, we draw closer to this year's target of \$40,000! This substantial donation will go a long way towards helping us meet the ever increasing needs of people living in rural and remote communities. I enclose a tax deductible receipt for your records.

There are many items on our medical and aviation 'wish list' which are not budgeted for in this financial year. Donations like yours enable us to identify items which take priority. I have taken the liberty of earmarking this donation towards the purchase of some essential medical equipment needed for our Broken Hill Base medical centre: including a doppler (to measure blood flow and foetal hearts), a procedure trolley and an examination light. The medical team has asked me to extend their gratitude to you and Cartridge Rescue for helping them to outfit the Broken Hill Base consulting rooms.

On behalf of the Flying Doctor and our patients, thank you once again Wendy for helping us to take the finest care to the furthest corners of Australia. I look forward to seeing Jacky at our Bankstown Open Day in May.

Yours sincerely,

John Verhelst
